LETS CONNECT!

Connection is an important aspect in the life of First Baptist Holly Springs. If you want to keep up with what is going on at church, text the word **CONNECT** to **770-758-1350**. We use the Text In Church system to announce events and activities as well as pass along prayer requests.

First time visitors are encouraged to scan this QR code and complete a connection card. This will provide church staff with basic information about you and your family so we can reach out via email and provide you with information about First Baptist Holly Springs and find out how we can minister to you.

MINISTRY OPPORTUNITY

We are currently seeking a Children's Ministry Director, tasked with establishing a strong education program at FBCHS through building relationships with teachers, students, parents, community and church leaders that strengthen our children's commitment to the church and growth in faith in Jesus Christ.

If you, or someone you know, is interested in learning more, please reach out to Pastor Mike or Cheryl to discuss this important ministry opportunity.

PRAYER REQUESTS

Cody and Ashley Spence - Ashley is still in the hospital on bed rest. She is going on 31 weeks and is doing well. The doctors are working hard to get her to at least 34 weeks. We pray that little Kayce will stay put and keep growing. ❤️

Ann Poor - Ann home from the hospital. She is still sore but is doing well. Continued prayers for healing.

Larry Everett - Larry took a spill on the driveway and hurt his back. Pray for healing. His neck is healing well so praises for continued progress.

If you have a prayer request, you can text it to **770-758-1350**. Information sent to this number does not go out to everyone. It comes to the church staff and they will shared with the congregation according to your wishes.

THE HOPE OF RESURRECTION

The resurrection of Christ brings hope. The late Emil Brunner once said, "What oxygen is for the lungs, such is hope for the meaning of human life." As the human organism is dependent on a supply of oxygen, so humanity is dependent on its supply of hope. Yet today hopelessness and despair are everywhere. Peter, who himself was given to despair during the episode of Calvary, writes in a triumphant note, "Blessed be the God and Father of our Lord Jesus Christ, who according to His abundant mercy hath begotten us again into a lively hope by the resurrection of Jesus Christ from the dead."

There is hope that mistakes and sins can be forgiven. There is hope that we can have joy, peace, assurance, and security in the midst of the despair of this age. There is hope that Christ is coming soon—this is what is called in Scripture "the blessed hope." There is hope that there will come some day a new heaven and a new earth, and that the Kingdom of God will reign and triumph. Our hope is not in our own ability, or in our goodness, or in our physical strength. Our hope is instilled in us by the resurrection of Christ.
