**First time visitors** are encouraged to scan this QR code and complete a connection card. This will provide church staff with basic information about you and your family so we can reach out via email and provide you with information about First Baptist Holly Springs and find out how we can minister to you.

## WHERE IS YOUR HOPE?

What are you placing your hope in for the future? Your country's government, educational system, some plan or organization? My hope is in a Person, the Lord Jesus Christ, who sits at the right hand of God. I have hope and know that I'm going to heaven. And, right here and now in this present life, I have God's presence to help me.

Suppose we had no Bible. Suppose there were no cross, no salvation, no empty tomb. Suppose we had nothing to hang on except, "Do your best, try to patch it up, do what you can." Oh, but we have a hope. There is a plan of redemption, a plan for the future. The New Testament is an exciting Book to read, it is so full of hope and expectancy. And God is interested in you!

**This certain hope of being saved is a strong and trustworthy anchor for our souls, connecting us with God himself.**

—Hebrews 6:19 (TLB)
