Connection is an important aspect in the life of First Baptist Holly Springs. If you want to keep up with what is going on at church, text the word **CONNECT** to **770-758-1350**. We use the Text In Church system to announce events and activities as well as pass along prayer requests.

First time visitors are encouraged to scan this QR code and complete a connection card. This will provide church staff with basic information about you and your family so we can reach out via email and provide you with information about First Baptist Holly Springs and find out how we can minister to you.

PRACTICE GOOD STEWARDSHIP

We are stewards of our time. God has given each one of us a little "chunk of eternity" called time. These golden moments of opportunity are doled out to us for our benefit and for God's glory. If we use them wisely, they are woven by God's omnipotent hand into the fabric of eternity.

Henry Thoreau cautioned, "You cannot kill time without injuring eternity." "He who has no vision of eternity," said Carlyle, "has no hold on time." "Only one life, 'twill soon be past; only what's done for Christ will last" is the sentiment of every man who desires to be a good steward of his time. We are entrusted with a small portion of the capital of time. If we invest it wisely, it will pay dividends throughout eternity.

Redeeming the time . . .
