## LETS CONNECT!

Connection is an important aspect in the life of First Baptist Holly Springs. If you want to keep up with what is going on at church, text the word **CONNECT** to **770-758-1350**. We use the Text In Church system to announce events and activities as well as pass along prayer requests.

**First time visitors** are encouraged to scan this QR code and complete a connection card. This will provide church staff with basic information about you and your family so we can reach out via email and provide you with information about First Baptist Holly Springs and find out how we can minister to you.

## PRAYER REQUESTS/PRAISES

**Bobby Townsend** - Andrea's brother in law had a rough week and was back in the hospital. He has been released and is home and doing much better. He has a scan in 3 weeks. Pray for a good report.

**Mary Hart** - Tammy's mom has been released from the hospital and is at her brothers home recovering. Pray for discernment as he and Tammy make decisions for her ongoing care.

## ANNOUNCEMENTS

We had a great turnout for the church workday! We were able to clean out a number of closets, install new vanities in the Fellowship Hall bathrooms, clean and reorganize the kitchen, install additional exterior lighting, weed the flower beds, clean vents and wipe down baseboards, clean and reorganize the children's classroom. It was a really productive day and there are more ongoing tasks that we will continue to working throughout the summer. Things are still in a state of array but we will slowly be bringing everything back in order so that Compass can move back in to prepare for their 24/25 school year. Thank you to all who were able to come out and lend a hand! If you were unable to make it, fear not! More workdays are coming!!

## EDUCATING THE MIND BUT NOT THE SOUL

You can put a public school and university in the middle of every block of every city in America—but you will never keep America from rotting morally by mere intellectual education. Education cannot be properly called education which neglects the most important parts of man's nature. Partial education throughout the world is far worse than none at all if we educate the mind but not the soul. To think of civilizing men without converting them to Christ is about as wise as to think about transforming wolves into lambs merely by washing them and putting on them a fleece of wool.

"Happy are the merciful; for they shall obtain mercy." The mercy the world needs is the grace, love, and peace of our Lord Jesus Christ. It is His transforming and regenerating power that the world needs more than anything else.

**God did not send his Son into the world to condemn it, but to save it.**  
—John 3:17 (TLB)
