Connection is an important aspect in the life of First Baptist Holly Springs. If you want to keep up with what is going on at church, text the word **CONNECT** to **770-758-1350**. We use the Text In Church system to announce events and activities as well as pass along prayer requests.

**First time visitors** are encouraged to scan this QR code and complete a connection card. This will provide church staff with basic information about you and your family so we can reach out via email and provide you with information about First Baptist Holly Springs and find out how we can minister to you.

## THE SENSE OF GEESE

**Fact #1** - As each bird flaps its wings, it creates uplift for the bird following. By flying in a "V" formation, the whole flock adds 71% greater flying range than if one bird flew alone. **Lesson Learned** - People who share a common direction and sense of community can get to where they are going quicker and easier because they are traveling on the strength of one another.

**Fact #2** - Whenever a goose falls out of formation, it suddenly feels the drag and resistance of trying to fly alone and quickly gets back into formation to take advantage of the lifting power of the bird immediately in front. **Lesson Learned** - If we have as much sense as geese, we will stay in formation with those who are ahead of where we want to go and be willing to accept their help as well as give ours to others.

**Fact #3** - When the lead goose gets tired, it rotates back into formation and another goose flies at the point position. **Lesson Learned** - It pays to take turns doing the hard tasks and sharing leadership.

**Fact #4** - The geese in formation honk from behind to encourage those up front to keep up their speed. **Lesson Learned** - We need to make sure our honking from behind is encouraging and not something else.

**Fact #5** - When a goose gets sick or wounded or shot down, two geese fall out of formation and follow it down to help and protect it. They stay with it until it is able to fly again, or dies. Then they launch out on their own, with another formation, or they catch up with their flock. **Lesson Learned** - If we have as much sense as geese do, we too, will stand by each other in difficult times as well as when we are strong.

**Holy Spirit bring us together in unity, strength and love!**
